

Children's World
Jacqueline Chauvin, Metairie, La.

Hello. I am 10 years old and in the 4th grade. I've been chanting since I was 5 years old, so I've been chanting almost six years. I've been chanting that my best friend Bridget Clement would do fun things and now we are going to Blue Bayou, a game place and sports camp. But don't just chant to get what you want. Chant for peace and happiness.
