

GREAT LAKES DISTRICT LEADERS GATHER

In the pine forests of upper Michigan and northern Wisconsin, the home of Hiawatha, Great Lakes West Chapter is tackling the issue of how to nurture capable, compassionate leaders. On June 6, a District Leaders Training Seminar was held in Iron Mountain, Mich., for all the chapter's district leaders. Many aspects of leadership at this level were examined, ranging in scope from the seemingly never-ending need to communicate in a clear, efficacious way to techniques for home visitations.

The leaders were reminded that we are, in all our roles, champions of kosen-rufu. And that in this endeavor, with faith and practice, happiness will be ours. As leaders, we are mentors and must do everything in our power to enable our precious SGI members to reveal their potential.
