### **Congratulations**

Tiny fortune baby has arrived to the Stormonts! Konstanza Theiss Stormont was born on July 24, 2000, at 8:28 p.m. after a fairly "easy delivery of a fortune child" (just as mom and dad had chanted!). She weighed in at 8 pounds, and was 20 inches long. Konstanza joins Linda and Rob Stormont, and big sister, Siùbhan!
