MOVE ON CAMPUS!

SOKA UNIVERSITY OF AMERICA**

After six years of working out of temporary offices during the planning and construction of SUA's new campus in Aliso Viejo, staff and faculty have moved their offices into the Daisaku and Kaneko Ikeda Library.

"It's exciting for everyone to really be on campus," says Daniel Habuki, Ph.D., president of Soka University of America. "Although many of our staff and faculty will be moving one more time into other buildings as they are completed, this move puts us one step closer to our reason for being...welcoming our first students on Aug. 24."

Our permanent address is the same that we have been using: Soka University, Aliso Viejo, 1 University Drive, Aliso Viejo, CA 92656. And our toll free number for Admission and Financial Aid information is the same: (888) 600-SOKA. But our office phone numbers have changed. Our new main number is (949) 480-4000. Our new fax number is (949) 480-4001.
