

## THE SGI-USA'S SEPT. 11 SCHOLARSHIP AT SUA IS GROWING

David Aoyama, Vincent Kane, Robert Miller and all the victims of the Sept. 11 tragedy will be honored, in perpetuity, at Soka University of America through an endowed scholarship fund in their names established by the SGI-USA. Each year, students will receive this named scholarship, students who otherwise might not be able to attend college.

Since the announcement in November, the fund for endowed scholarships at SUA has grown tremendously. Many thanks to the donors to our scholarship funds! If you wish to donate to the fund, please ask for a lime-green contribution envelope through your local SGI-USA organization.

If you have questions, please e-mail Carol Manley at [cmanley@soka.edu](mailto:cmanley@soka.edu) or call her at (949) 480-4072.

For a taxable deduction in this tax year, please **date** checks by Dec. 31, 2001. Stocks, life insurance and real estate/LLC assignments must be legally transferred by Dec. 31 to qualify. Ask your employer about matching funds or consider charging your contribution by Dec. 31.
